TC 170

Sir:

Responsive to the Office Action mailed on June 6, 2002, Applicants request further examination in light of the following amendments and remarks, which are believed to place the application in condition for allowance.

Please amend the specification and claims as follows:

In The Specification:

Please replace the paragraph on page 5, lines 13-16, with the following replacement paragraph:

According to one embodiment of the present invention, the compositions are substantially free of chlorine. As used herein, the term "substantially free of chlorine" refers to a composition that has insufficient chlorine to have any irritating effects. More particularly, "substantially free of chlorine" refers to a composition containing less than 0.1% chlorine.

Please insert the following heading on page 5, after line 16:

**DETAILED DESCRIPTION OF THE INVENTION**

I hereby certify that this correspondence is being deposited with the United States Postal Service as first class mail in an envelope addressed to: Commissioner for Patents, Washington, DC 20231, on September 6, 2002.
